WHAT ABOUT OUR
KIDNEYS?

Some Facts About Their
Pains and Diseases.

The Symptoms of Sick Kidneys and
the Diseases That Sick Kidneys
Will Cause—A Sure Cure
for the Kidneys and for
These Diseases.

There are a great many people
who don't know that the kidneys are
simply filters.

All the blood made by the food we
eat passes through our kidneys.

The kidneys separate what is bad
from what is good, what is unhealthy
from what is healthy, throw out the
bad and let the good pass on to
nourish our body.

And this is going on every minute
of our lives.

Some folks overwork their kidneys.
They have to suffer the conse-
quences.

But the consequences would not be
so bad if they would take Dr. Hobb's
Sparagus Kidney Pills.

The kidneys get overworked from
worry, hard work of the body or
mind, excesses, overeating, etc.

Worry is probably the most com-
mon of these causes.

Overwork of the kidneys makes
them sick and they make us sick.

When the kidneys are sick the
blood suffers. It gets poor, thin,
unhealthy, poisonous.

When our kidneys are sick we
may have Bright's disease, diabetes,
nephritis and other dangerous kid-
ney troubles.

Or we may have rheumatism, gout,
neuralgia, general muscular weak-
ness, etc.; or anemia, pale and sal-
low complexion, chlorosis or green
sickness, dizziness, etc.; or skin
diseases, pimples, blotches, eruptions,
etc.

It may seem wonderful that one
medicine should be able to cure all
these diseases, but when we remem-
ber that they are all caused by im-
pure blood, and that the impure
blood is caused by the kidneys, it be-
comes a question of simple common
sense.

The kidneys make pure blood.
Pure blood means health.

Therefore, when you have diseases
of impure blood, cure your kidneys
with Dr. Hobb's Sparagus Kidney
Pills.

This will make you well and strong
and hearty.

Dr. Hobb's Sparagus Kidney Pills
contain, in concentrated form, spe-
cial vegetable drugs which cure and
renew the kidneys.

The combination from which they
are made is found in no other medi-
cine or prescription. It was first
used by Dr. Hobb in his private
practice many years ago, and was so
unfailingly successful that his original
prescription was finally made up
into Dr. Hobb's Sparagus Kidney
Pills. The concentrated extract of
asparagus, which is the principal in-
gredient, is prepared exclusively by
the Hobb's Medicine Company, under
a special process.

Dr. Hobb's Sparagus Kidney Pills
will cure you when you are sick.

They will put new blood and new
life into you. They will give you
new ambition, new looks and new
brightness of eyes and skin.

A few doses will relieve. A few
boxes will cure.

Of all druggists, or mailed pre-
paid to any address for 50 cents a
box.

the subject, free on application, to

AMUSEMENTS.

"The Midnight Watch" Tomorrow Night
—The "Derby Winner" Monday.

The "Midnight Watch," to be seen
at Harper's theatre tomorrow night,
is a sensational melo-drama brim full
of comedy, having for its basis scenes
and incidents connected with rail-
road life. The story is that of a
young New Yorker, who through the
persecutions of a villain is obliged
to leave his home because he believes
himself to be a forger. He drifts
west and accepts a position as
switchman on the Union Pacific rail-
road near Denver. There he meets
and falls in love with a young woman
who is turned by a man whom
she has nursed through an illness.

This man is spurned by the young
woman, and leaves for California,
where he becomes heir to a large
property. Returning to Colorado,
he finds the switchman installed in
the young lady's affections. He uses
his wealth to destroy his rival and
failing in that, a switch that is under
the care of Hardy is turned, and the
midnight flyer rushes on to the side
line with a sharp curve. The rail is
jumped and the train plunges down
a deep precipice and is wrecked.

The hero saves the life of the heroine
and endeavors to prove his innocence
of any neglect in leaving the switch
open. He is imprisoned, but finally
escapes through the confession of a
tramp, who was an eye witness to
the turning of the switch and also a
partner of the villain's in the murder
of a New York banker before going
west. The play has four excellent
comedy parts that manage to keep
the audience in a continuous roar of
laughter. The great wreck scene is
the most realistic ever produced
upon the American stage.

The "Derby Winner," the specta-
cular racing and comedy drama which
met with marked demonstrations of
approval last year in this city, will
be the attraction at the Harper thea-
tre Monday night, and the prospects
are bright for a big attendance. A
year's experience on the road has
rounded the play off finely, and in its
new and bright colors it is meeting
with great success this season. The
"Derby Winner" is genuine in its
originality, novelty, realism and
race horses. It not only has the
only race horses that can race that
are on the stage, but it has in its
well organized company a little sou-
rette, Blanche Boyle.
